

THE SURGEON

Dr. Tilman Stasch MBChB, MRCS, MD, F EBOPRAS is an internationally qualified Aesthetic, Plastic, Reconstructive and Hand Surgeon with over 15 years of international experience in this field.

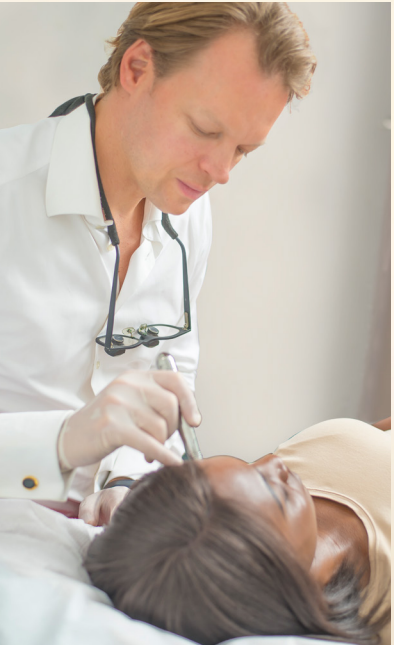

As an alumni of the University of Cape Town Medical School (MBChB) and the prestigious Royal College of Surgeons of Edinburgh (MRCS Ed.), he specialized as a Plastic Surgeon and Hand Surgeon in the UK and Germany (Facharzt). He also holds a diploma for medical laser therapies.

His academic research engagement earned him the highest honours for his MD thesis (summa cum laude) at the University of Witten / Cologne, Germany, as well as several national and international academic accolades and prizes.

As a Fellow of the European Board of Plastic Reconstructive Surgeons (EBOPRAS), he is recognized as a keynote speaker at International Surgical Conferences presenting his work on stem cell therapy, liposuction and fatgrafting, whilst also conducting surgical workshops for peers and colleagues.

He served as external examiner at the University of Nairobi and has published several academic papers and book chapters on Plastic Surgery.

Dr. Stasch has been working in Nairobi, Kenya, since 2011 with a special interest in skin cancers, facial and advanced skin rejuvenation, aesthetic body contouring (liposculpting, tummy tuck and Kenyan butt lift) and breast surgery - successfully and safely performing thousands of cosmetic operations which are thoroughly documented.

THE CLINIC

The Vitality Fountain Clinic, located at the prestigious 14 Riverside Drive, is a state-of-the-art clinic for Plastic Surgery, Cosmetic Medicine and Advanced Skin Health.

We offer the latest and most in-demand medical and cosmetic treatments in an environment that combines discretion and confidentiality with welcoming and stylish surroundings. We understand that choosing surgery or cosmetic treatments is a very personal decision. So if you seek convenience, comfort, discretion and exceptional results, you are welcome to contact us now.

All treatments will involve a private consultation with the Specialist Consultant Plastic Surgeon. We will go to great lengths to listen to your concerns, find solutions and discuss the possible treatment options with you.

All therapies take place in our modern, purpose-built Clinic that includes a day surgery procedure room, consulting and treatment rooms, a bespoke MediSpa, and for your absolute privacy, separate waiting areas. Surgical operations are conducted at the University Hospital.
